

**34th Annual Santa Gertrudis**

**2026**  
**Bull & Female Sale**

**Wednesday 9th September**  
**12:00 noon**  
**at Roma Saleyards**

**55 Bulls 7 Females**

 **STOCKLIVE**

## Steps To Register

Using your chosen device visit [www.stocklive.com.au](http://www.stocklive.com.au)

Click **BID** located next to the sale you wish to participate in.

### New Users

To create an account click **REGISTER**. Fill in your details, then click **CREATE BIDDER REGISTRATION**.

You will receive an email prompting you to confirm your account, create a password, accept Bidder Account T&C's & Privacy Policy.

Congratulations! Your StockLive account has been created.

### Existing Users

**LOGIN** & find sale you wish to bid on, click **Request to bid** tick the box & click **Confirm Accept Terms**.

### On Sale Day

Visit [www.stocklive.com.au](http://www.stocklive.com.au), when the sale is flashing **LIVE**, click **BID** to watch, listen & purchase.

Invoicing and delivery will be carried out as per your registration & account details by the respective selling agents.

# Chairman's Message

It is with great pleasure, on behalf of the Heartland Santa Gertrudis Breeders Group that I welcome everyone to our 34th annual bull and female sale. This year, at the time of printing, the group has nominated 55 quality Santa bulls and 7 PTIC stud heifers for your competition, including one charity heifer kindly donated by Peter Seawright of the Jazmaree Stud.

PJH Livestock and Property, headed by Steve Goodhew, are the sole marketing agents for the group, and returning after his blistering performance last year, is our sale auctioneer Sam Greenup who will be eagerly taking your bids. We sincerely thank you Sam, Steve & staff for your assistance this year.

The varying seasonal conditions around the Maranoa have been buffered by a cattle market that is currently firing on all cylinders with quality Santa weaner steers making up to \$6/kg. You could also trade in that old bull for \$4000 and invest in a brand new Santa bull at this year's Heartland sale for not a lot of change over, making it the perfect time to upgrade your breeding herd. Adding to this, the Heartland group is awarding the volume buyer at this year's sale a bull credit at the 2027 bull sale to the value of \$6000.

I'd also like to acknowledge Paul and Karen Timmins who have decided to retire from stud breeding and are selling their final 2 bulls this year. You have been tremendous contributors to the sale and we thank you both for your friendship and the many years of hard work and dedication you have both given to the Heartland group.

Finally, thank you to the buyers and under bidders at this year's sale. We wish you every success with your purchases and a safe journey home.

**Kind Regards**

**Ben Evans, Chairman**

## OUTSIDE AGENT'S REBATES

### **4% Rebate**

Agent must Introduce their client at least 24hrs before the sale & accompany them to the sale, sign off & Settle for.

### **2% Rebate**

Agent must Introduce & Settle for.

| Group Vendors                                                                                                                                                                                                                            | Lots                          | Classified                       |

## BEEFWOOD - Stud 2176

Beefwood is a genuine family operation, run by Brett and Ashlee White, alongside their four sons: Thomas, Henry, Edward, and Alistair. The Beefwood stud is run alongside, The Bank Shorthorn stud, in conjunction with a commercial Santa Gertrudis Shorthorn cross enterprise. Brett and Ashlee, also operate the WLS Fitting service.

Utilising the solid Satellite prefix female base, we were able to develop the breeding philosophy of FFPL – Functionality, Fertility, Productivity, Longevity.

Further female additions over time, from breed heavyweights Wave Hill, Kilcock, Glenn Oaks, Pinaroo and Forest Park herds, combined with Fishington, Rosgar, Dundee and Glenn Oaks sires, has resulted in our own blend of maternal magic.

Current sires from Munnabah, Glenn Oaks, Diamond H, Hardigreen Park, Jamar and Jazmaree are continuing to move our program, of over 70 classified females forward.

Beefwood offers quality assurance by semen morphology testing all sale bulls, routine ultrasound pregnancy testing, strict vaccination programs covering 7 in1, Vibrio, 3 Day and 3 Germ Blood and GGP TropBeef 50K genomic testing through Neogen. Extensive genomic testing has meant that all Beefwood progeny born from 2022 onwards are myostatin carrier, horn/poll gene tested and parent verified.

Allowing us to consistently produce easy doing, structurally correct cattle, built to thrive in the tough northern pastoral country.

This year our draft offer both sons and daughters of the ever-consistent carcass powerhouse, Diamond H X156 (P). Along with the first available sons of Hardigreen Park Zeb S100 (PP).

## CARNTYNE - Stud 1556

Carntyne Santas is a family operated business owned by Ben & Carly Evans and their children Grace, Oliver & Isla. Their rural enterprise, Tullamore Park Pastoral Co runs around 1500 breeders over 5 properties expanding over the Roma, Surat & Injune districts. The Stud maintains approx. 150 stud females each year for the purpose of breeding bulls for private paddock sales, the Heartland Sale in Roma, as well as for the use in their own stud and their commercial Santa Gertrudis and Brahman herds.

The primary focus is on the overall herd fertility and quality, and by selecting genetics which will continually improve and compliment the current attributes of the existing herd. A lot of emphasis has been placed on using genetics that will produce highly fertile, sound, thick, easy-doing progeny that will fatten easily, have good constitutions and placid temperaments.

Of recent years the Stud's focus has been on selecting suitable and specific Carntyne females for the annual AI programs.

Current AI & stud sires include a number of Carntyne 'S' bulls; Watasanta Landrover (P); Dangarfield Abdul (P); Rosevale King; Waco Chancellor (P); Dangarfield Second-To-None; Waco Odessey (P); Diamond H Quilpie; Dangarfield Zelot (P); Triple S Q20; Triple S Q10; Warenda Quicksilver (P); Dangarfield Tornado & Moongana Nudge (P).

Carntyne heifers are joined as yearlings to homebred Santa bulls. They are expected to calve unassisted and reconceive each year. Any female that does not return a PTIC result annually, or is a poor milk producer, is culled from the herd. Additionally all bulls are semen tested annually, and any sire whose progeny returns poor conception rates and other bad genetic traits, are also culled. A pelvic measurement of all replacement heifers and bulls is an important annual practice that has all but eliminated maiden calving problems in the herd as only those with adequate measurements are retained for breeding.

Carntyne cattle are handled by men/women/children with horses, motorbikes, on foot and with dogs (border collies and sausage dogs!)

All Carntyne bulls are bred and prepared for a long working life. They are not pampered or overfed to be the biggest, heaviest bulls at sale age, but the focus is more on good conformation, growth, soundness, fertility, and overall constitutions. Carntyne's aim is to have the best genetics behind them to breed bulls to boost and compliment your breeding program to get the best 'bang for your buck'.

Carntyne Stud will not have any bulls on offer at the Heartland sale this year due to lack of available bull numbers. However, we welcome all enquires and interest in our cattle, and appreciate all feedback, positive / negative, from clients on their previous bull purchases.

We look forward to caching up with you all at the Heartland Sale 2026.

# STUD NOTES

## CG SANTAS - Stud 2155

CG Santos is operated by Steven, Sharon & Cooper Goodhew and was established in 2019, based at "Laurbrook" Roma.

Our Stud is based on females purchased from Santa Park, Moongana, Allendale & Pinaroo as well as our own S & S Bar females. We have placed a large emphasis on fertility and temperament in our herd.

Steven, Sharon & Cooper

## CHILGERRIE HILL - Stud 991

Santa Gertrudis were introduced in the 1960's when Adam's grandparents purchased bulls from Rosevale and Yarrawonga. Stud cows were purchased in 1974 from dispersal sales and Kabunga West & later by Adam & Karen from Gylanda, Brookside, Rosevale, Florando & Mt Ty. Chilgerrie Hill Santa Stud was formed in 1975 by Adam's parents. The family have now been breeding Santa Gertrudis for over 60 years and the Stud has been going for 51 years this year. In 1998 Adam and Karen took over the stud and run it and a commercial herd. Our children and grandchildren are all involved in the property and the stud. We have started showing cattle again as the grandkids are all keen to have a go. High pregnancy rates and excellent temperament's and fat weaners. Our steers are sold to the same family every year and they always comment on the quietness of our weaners and come back every year so we must be doing something right. Sires include; Dangarfield Firecracker (Yarrawonga Megabyte), Cooinda Tough Judge (Moongana Kansas), Doorabeeba Sitka (Hardigreen Park Victory), New Sire- Warenda U42 P (Warenda Riccardo R60 P).

This year's Sale Bulls are by the following sires; Bunda N22 his last year (Cardona Organic), Doorabeeba Sitka and Dangarfield Firecracker. We are very happy with this year's sale draft. We look forward to presenting them to you at the Heartland Sale. Check out our Facebook page for photos of our cattle.

## DARR CREEK - Stud J331

Darr Creek began when our parents Glen & Kathleen purchased us a stud female each at the Raytek dispersal sale in 2013. We already had classified Santa bulls on hand which were being used in our family's crossbreeding program, and later purchased females from Oakdale, Rosevale and Pinaroo studs. Mitch was also extremely fortunate to have won two lovely heifers at junior camps donated from Rosevale and Glen Oaks studs. We are continuing to focus on building up a strong herd of quality, fertile, easy doing classified females.

Darr Creek Santos are located north of Jandowae in a mixture of forest and brigalow country. This year's sale bulls have been vet checked, semen and morphology tested by Kelly Ag Morphology Services in Dalby, vaccinated for 3 Day, 3 Germ, 7 in 1 and Vibrio.

We look forward to seeing everyone at the sale in 2026.

Mitch, Abbey & Bella Franz.

## DUNROBIN - Stud 1489

Dunrobin Stud was started by Roy and Dorothy Harrison with cows upgraded from a commercial herd. In 2017 Dunrobin stud was purchased by Brendan, Paula, Rowan and Lucy Harrison and has been relocated to Bungaringa Mitchell, running in conjunction with our commercial herd.

## HOMELEIGH - Stud 2186

Homeleigh Santa Gertrudis was established in 2018 and is located at Bringalily, Queensland. Homeleigh is a small stud focused on breeding consistent quality cattle, with good temperament and all-round breed characteristics. Stud females were first purchased from Gylanda in 2018 at the Big S Sale, Toowoomba. Additional females have since been sourced from Rosehill, Rose Oak, Bullamakinka, Oakdale and Hallcraig. Bulls from Rosehill, Hayleigh,

Wave Hill and Dundee have been used successfully in building the Homeleigh herd.

## JAZMAREE – Stud 2164

Jazmaree Santas was Registered in 2020 by Peter & Sharon Seawright. We have for many years been passionate Santa Gertrudis breeders and have over the last few years been developing our Santa Gertrudis Stud herd. We are based at "Comet Downs" Injune. To give you some idea of our passion for the breed, we purchased our first commercial heifers from Sharon's parents Rod & Nancy Cloherty "Reben Downs" Injune.

They have been breeding Santas for over 50 years, Their Sires over the past years have been purchased from Swan Hill, Yarrowonga, Waratah, Diamond H, Moongana, Bullamakinka, Talgai, Glenview and more.

We have invested heavily in the breed with the purchase of stud females and classified stud sires from a large range of genetics and have also upgraded selected purebred females to S Bar into our stud.

## MURGO – Stud 1468

It is with great sadness that we announce that we have sold the Murgo Santa Gertrudis Stud and that this year will be our last year selling with the Heartland Group. We wish to take this opportunity to thank all our previous and current bull buyers. We sincerely hope that you have been happy with your purchases and that the bulls will serve you successfully for many years to come. This year we have two poll bulls – Murgo Webster 412 (P) and Murgo Watson 415 (P). Both bulls are by Dangarfield Emulate 231 (P), a great example of the Santa Gertrudis breed with smooth coat, great muscle development and a wonderful temperament. We take this opportunity to thank previous and current members of the Heartland Santa Gertrudis Breeders Group for the years of friendship and camaraderie that we have enjoyed for the last 34 years and wish the Group a long and continuous prosperity.

## OAKDALE – Stud 1159

The Oakdale Stud was founded at Boonah in 1980. It was relocated to Chinchilla in 1993.

Present sires in use are Oakdale Longbow, whose sons have sold to \$42,000 and averaged \$15,000. Longbow is our leading sire, he had a very successful short show career.

Rosehill Rhys was purchased as second top price at the Big S Sale in 2022. Oakdale Phantom was retained in our stud as a standout son of Dangarfield Anzac.

OAKDALE PRINCE

## PINAROO – Stud 1150

The Pinaroo Stud No. 1150 was started by Peter and Robin Cupitt in 1982. Together they enjoyed over 40 years of successful breeding, showing and selling of stud cattle. Sadly, the passing of Peter in early 2022 resulted in the winding up of their partnership and an End of Era female sale in March 2023.

However, a decision was made to retain the stud name and the purebred commercial female herd and some proven stud sires, which will be used to grade up the herd under the ownership and management of Cameron and Deborah Boot, who have worked with Peter and Robin for over 25 years.

## RIBBLETON – Stud 2196

Ribbleton Santa's, established Stud in 2018, breeding Santa's started for us in 2008 with the acquisition of 63 commercial Santa and Santa cross females, before grading up the herd up in 2020 to 'S' bar' and 'S' females. In 2017, the female breeding herd of 350 females at the time was based on 6,000 acres near Texas, QLD. In the drought years we had to sell the majority of the cows and got down to a manageable 50 odd females.

Currently now based in Clifton and Nobby, the female herd consists of 60 classified 'S' females and 15 commercial females. All Ribbleton females, bulls, and weaners are

# STUD NOTES

GGP50K tissue tested for parent verification. Ribbleton has always bought 'S' classified bulls over the years, including – Bremervale Quigly, Bremervale Ripley, Dundee Aztec and Lindlands Mate. With all the females' genetics going back to these sires. Recently retired sire Ribbleton Humphrey who was a successful A.I of Wavehill Jager, had such a consistent phenotype in his progeny over the 6 years we used him. His first son was Ribbleton Steve who won Senior and Grand Champion Bull at the 2022 Brisbane Royal Ekka. Sires currently used now over the females are - Dunlop T434 (PS), who's first progeny offer this year, and new sire added last year Murgona Spartan (IVF) (PP).

Ribbleton has sold bulls through sale rings and privately throughout the years with bulls going to – Coonabarabran, Allora, Pilton, Dalby, Crow's Nest, Mitchell and Injune. As a stud, we are focused on building up our herd by breeding quality, fertile, easy doing cattle and true to the Santa Gertrudis Breed.

The bulls on offer this year are treated with 7 in 1, 3 germ blood, Vibrio and Pestiguard. Also, all bulls are semen and morphology tested ensuring buying in confidences that all boxes are ticked.

## RIVERSLEA – Stud 2035

Riverslea Santa Gertrudis Stud is owned and operated by the Martin family of Inverell, NSW. Riverslea, Stud No. 2035, was registered in 2000, but it all began in 1986 in Maryborough, Victoria, where Frank and Noreen Martin first established their commercial purebred Santa Gertrudis herd. The Martin family also operate Martin Livestock Services and Martin Contracting Co. This diversity helps our businesses grow and provides us with a greater understanding of the agricultural industry.

Riverslea Bulls: All bulls are polled, with two being Homozygous Polled. Our bulls are HD50K tested and parent verified. They are up to date with 7-in-1, Vibrio, Botulism, 3-Day Sickness and 3-Germ Blood vaccinations, as well as receiving a pre-sale dual-active backline treatment. They are morphology tested and will be EMA and fat scanned prior to auction.

Over the years, Riverslea has used sires from leading studs including Dangarfield, Diamond H, Yarrawonga and Nangaringa, with many of our foundation females originating from Yugilbar, Diamond H, Kuloomba and Macaire.

Our aim is to produce fertile bulls that will perform for many years. Our bulls are strong, fit and healthy, and ready to perform in your herd. They combine proven stud genetics and performance data with commercial relevance and are bred to perform under all conditions. Bulls are available for inspection prior to the sale, with paddock bulls and females also available for private treaty.

## ROCKY VIEW – Stud 2169

Rocky View is a small stud located in the Pilton district on the Darling Downs, established around seven years ago by Ben and Michelle Eastwell. Also, we have a small commercial herd of Santa cross breeders and run an off-farm business – Eastwell Construction.

The stud's bloodlines range from various genetics, Oakdale, Pinaroo, Dangerfield, Talgai, Tyndale and Dunlop to name a few, we are slowly building our stud herd up.

## SPRING CREEK – Stud 1833

The Spring Creek Stud is operated by Andrew and Angela Doering and family in the South Burnett Region. Our herd is completely DNA and gene tested, to guarantee the pedigrees of our cattle and aid decision making within our breeding program.

This year's Heartland Sale draft is represented by a broad spectrum of our current Sire battery, offering a diverse range of genetics.

This is the first release of progeny by our retained sire, Spring Creek Titus T638 (P), a standout bull of his year drop, and exhibited lightly prior to assigning him stud duties. He is a large, heavily muscled poll bull with a lovely temperament, high libido and very fine dark coat.

This draft also includes the first offering of Spring Creek Prophet P834 (P). Prophet P834(P) was initially retained to produce competition steers, but the quality of both male and female progeny elevated him to our registered herd.

Our focus on commercial and carcase traits continues to see our cattle perform in commercial competitions, helping us benchmark results and assess progress within our breeding program.

# STUD NOTES

The Callide Dawson Beef Carcase Competition is highly regarded, with this year's entries exceeding 860 head. Our recent results show our breeding program is on the right track:

**1st Place, Class 7, Pen of 3 Grainfed Trade Steers.**

**1st Place, Class 8, Single Grainfed Trade Steer.**

**2nd Place, Class 5, Pen of 3 Heavyweight Grainfed Steers.**

**4th Place, Class 6, Single Heavyweight Grainfed Steer.**

**3rd Place, Class 10, Single Grainfed Trade Heifer.**

Spring Creek Entry #757 also placed 2nd overall for Best Liveweight Gain among Trade Steers, recording an average daily weight gain of 2.67 kg/day.

We appreciate the consideration and investment involved in purchasing a bull and are proud to stand behind our cattle. We value customer satisfaction and strong client relationships. If you have any questions or require assistance, please don't hesitate to contact us.

## WALMONA – Stud 871

Walmona Santa Gertrudis Stud was established in 1973 at Truro, South Australia, by Wally and Mona Doering. In 2022, we made the move to Coolah, New South Wales as part of an amicable partnership split.

Our main goal is to produce quality cattle that suit both the commercial and stud breeder, with a strong focus on carcase, fertility and temperament. Bloodlines over the years have included Nangaringa, Boongarry, Kalinga, Aberdeen, Eidsvold, Yarrawonga, and Waco, as well as other AI sires used from different studs. In recent years, we have also purchased females from Pinaroo, Benelkay and other commercial herds to help build numbers from 120 stud females to 200 stud females and 40 commercial females.

For over 35 years, we have exhibited cattle in both stud beef and steer competitions, with good success. We firmly believe that it is important to encourage the younger generations to get involved in the beef industry, meaning that one of our highlights over the years has been getting involved with the South Australian Junior Heifer Expo, and more recently, the Santa Gertrudis Youth Camp.

This year's sale draft includes progeny of Yarrawonga Titan T906 (P), Benelkay Salvador S146 (PP), and Walmona Commodore (AI) (P). They have been running on a paddock of oats and supplemented with hay and pellets. Our aim is to continue breeding sound bulls that will perform in all situations, and we hope that this year's draft reflects that.

## WHITALBY – Stud 1242

Operated by Cameron & Rosie Drynan and family, the Whitalby Santa Gertrudis stud is situated at "Bogong" south west of St George. Our breeding aim is to produce structurally correct and commercially productive cattle, with a strong focus on temperament and fertility. The stud herd is run predominantly on buffel and mulga country, where they are bred to survive and maintain production throughout dry spells. Young bulls are grown out in the paddock with only a light lick supplement, prior to sale prep. Some of our current sires include Whitalby Earnest (P), Bullamakinka N518 (PP), Warenda P30 (P) and Hayleigh 1181 (P) and exciting new future sire Hardigreen Park Zeb (P). We endeavour to stay up to date with market demands, whilst maintaining a true Santa Gertrudis type.

WE KEEP  
LIFE  
MOVING

# KEEPING YOUR MACHINERY MOVING

ON FARM. IN THE FIELD. ON THE ROAD.

We deliver expert diesel, hydraulic and air conditioning services that keep your machinery, equipment and operation moving.

#### FAST RESPONSE

24/7 breakdown service when you need us most.

#### QUALITY WORKMANSHIP

Skilled, experienced and focused on getting it right.

#### LOCAL & RELIABLE

Proudly based in Roma, servicing Western QLD.

#### FULLY EQUIPPED

Workshop or mobile - we've got you covered.

## OUR SERVICES

#### DIESEL REPAIRS & DIAGNOSTICS

Expert diagnostics and repairs to keep you running.

#### HYDRAULIC HOSE & FITTINGS

High quality hose manufacturing and on-site replacement.

#### HYDRAULIC CYLINDER REPAIRS

Reconditioning, repairs and test bench service.

#### MOBILE AIR CONDITIONING

Diagnostics, repairs and servicing on all mobile plant.

#### PREVENTATIVE MAINTENANCE

Reduce downtime and extend the life of your equipment.

#### BREAKDOWN REPAIRS

24/7 field service when you need us most.

#### PARTS SUPPLY & SOURCING

Genuine and aftermarket parts - fast and reliable.

#### WORKSHOP & ON-FARM SERVICE

Fully equipped workshop or we come to you.

MINIMAL DOWNTIME. MAXIMUM UPTIME.

## Tissue Sampling Unit (TSU)

Allflex<sup>®</sup> Tissue Sampling Units provide a simple but effective means for DNA testing livestock. Collect a clean, uncontaminated sample in seconds with a single squeeze motion, TSU's are easy to use and yield excellent lab results.

TSU's can be paired with a matching NLIS and visual management tag, creating a simple link between the genetics of an animal and it's Identification.

## Tissue Sampling Unit (TSU)

Allflex<sup>®</sup> Tissue Sampling Units provide a simple but effective means for DNA testing livestock. Collect a clean, uncontaminated sample in seconds with a single squeeze motion, TSU's are easy to use and yield excellent lab results.

TSU's can be paired with a matching NLIS and visual management tag, creating a simple link between the genetics of an animal and its Identification.

A LONG BODIED SIRE, SURE TO ADD AN EXTRA RIB OR TWO INTO THE CARCASS OF HIS PROGENY. Sired by the incredible carcass powerhouse MUNNABAH P2788 (PP). At 7 years old, P2788 has never skipped a beat and stamped his impact in every one of his progeny. Immaculate sheath and feet and still highly fertile, continually returning 100% pregnancy rates in both our commercial and stud herds. Truly a sire that keeps getting better with age. Mother has 7 calves, including one recently weaned, 4 classified, 2 retained daughters and is PTIC again. A maternal brother sold for \$7,000 at the 2022 Heartland Sale.

SWEET NATURED POLL FEMALE WITH A BEAUTIFUL COAT. BROKEN IN BY OUR 11 YEAR OLD SON AND EXHIBITED AT BOTH TOOGOO LAHAW JUNIOR CATTLE CAMP 2025 AND YOUNG BEEF BONANZA (CHARBRAY YOUTH CAMP) 2026. Sired by the incredibly consistent DIAMOND H X156 (P). To date, X156 (P) has a rarity of a 100% classification rate on his active progeny. X156 (P) is still actively used within both our commercial and stud herds. Backed by the maternal magic of GLENN OAKS R209 (PP). A dam with 4 progeny to her name, including 1 recently weaned, 3 are classified and is PTIC again. PTIC to Jamar Uber U114 (PP), impressive new sire purchased jointly with Valley View Santa Gertrudis at the Inaugural Jamar Santa Gertrudis Sale 2024 for \$13,000. Pregnancy test results will be available on the supplementary sheet.

## Paul & Karen Timmins

*The Heartland Breeders Group are pleased to present Paul & Karen Timmins with Life Membership. This will sadly be their final year selling bulls at Heartland after selling their Murgo Santa Gertrudis stud. Paul & Karen are original Heartland members, who over many years worked hard to ensure the continuity of the group, both taking on several committee positions including President, Publicity & Secretary. We thank them for their contributions, knowledge and friendship over the years, and wish them well in future endeavours.*

[www.riverina.com.au](http://www.riverina.com.au)

# Special Notes to Buyers

- 1:** In the interests of buyers, all instructions covering the delivery of cattle purchased at the sale must be given in writing and signed by the buyer or his representative. **A Buyer's Instruction Slip** is provided at the end of this catalogue.
- 2:** **A rebate of 4%** will apply to outside agents introducing clients in writing to the selling Agents 24 hours prior to the sale. **AGENTS MUST ACCOMPANY CLIENTS TO THE HEARTLAND SALE AND ALL PURCHASES MUST BE SIGNED OFF BY THE AGENT.** Settlement must be made on their behalf within fourteen (14) days of the sale. **A rebate of 2%** will be allowed to outside Agents introducing clients in writing to the selling Agents 24 hours prior to the sale, and making settlement on their behalf within fourteen (14) days of the sale. **All Rebates will be strictly enforced.**
- 3:** We wish to point out to you, in your own interests, the position of a bidder at auction who **purchases on behalf of another party.** When this bidder discloses his principal after purchases, we stress that there is no obligation on our part to automatically send the account to this principal. The person purchasing the animal in the sale ring remains liable for payment under the 'Conditions of Sale'.
- 4:** All bulls are from Brucellosis and TB free herds. All bulls have been inoculated with Vibrio and Lepto vaccines. All bulls have been soundness evaluated and semen tested prior to sale and are sold with a **Veterinary Certificate** to verify this statement which will be available on request.
- 5: Vendor Guarantee**
  - Save and except for calves at foot, all **BULLS** are guaranteed breeders and to so prove within **six months** of the date of sale or by reaching the age of 30 months whichever date shall be the later.
  - Claims under the guarantee of fertility shall be made to the vendor within six months from the date of sale or prior to the animal entering a quarantine area other than on the vendor's property.
  - All claims must be accompanied by a **veterinary certificate** which shall clearly identify the basis of the claim.
  - Infertility resulting from **injury or disease** occurring after the sale of the animal shall not be covered by this guarantee.
  - The vendor retains the right to have the animal placed on a property nominated by him or returned to his own property for **further assessment** of fertility for a period not exceeding six months. In the event of the animal being proven fertile within the period, the costs incurred shall be borne by the purchaser. In the event of the animal not being proven fertile within the period the costs will be borne by the vendor.
  - Except for costs defined elsewhere in the conditions of sale, the **liability of a vendor** in respect of claims relating to fertility shall not exceed the purchase price of the animal(s) or to provide mutually agreed upon replacement animals.

# Special Notes to Buyers

- In the event of a claim being substantiated and the purchase price being refunded, the animal(s) shall automatically become the property of the vendor and be returned to him or disposed of according to his instructions at his expense.
  - This **guarantee shall be voided** by the purchaser if: **(a)** the animal is returned to the vendor  
**(i)** in poor physical condition or with any injury;  
**(ii)** tests carried out on behalf of the vendor within fourteen days of such return proved positive to any diseases which may affect the animal's fertility or ability to breed naturally; or  
**(b)** the purchaser has collected and stored semen from a bull.
  - In the event of a dispute as to whether a lot is a breeder, such **dispute** shall be resolved by the vendor and the purchaser; and the auctioneer, while he will use his best endeavours to assist, shall have no liability or responsibility in that regard. In the event that a lot is alleged or proved not to be a breeder, the purchaser shall nevertheless be obliged to pay the auctioneer the full purchase price and any other moneys or interest payable by the purchaser in accordance with the Terms and Conditions.
- 6: Buyer inspection** of the cattle can be arranged with individual studs prior to the sale, on Monday afternoon and Tuesday, and on the morning of the sale.
- 7: Insurance cover** for all lots may be effected on the fall of the hammer. Selling Agents' representatives will be in attendance at the sale.
- 8: The canteen** will be open during the sale.
- 9: Airport**
- 1500 metre bitumen sealed airstrip with night lighting
  - PAL frequency 119.6
  - Airport tie down and parking area
  - Landing and Parking charges apply

## Bulls will be:

Semen & Morphology Tested  
Breeding Soundness Evaluated  
Inoculated - Check individuals lots for details

*Please bring this catalogue to the sale*

# STUD STOCK - AUCTION TERMS & CONDITIONS OF SALE

## IMPORTANT NOTICE

All bids shall be treated as offers made upon the following Terms and Conditions of Sale and all persons present are admitted to attend the sale on the basis that they have notice of these Terms and Conditions.

1. The highest bidder shall, subject to Condition 2, be the purchaser provided that the vendor reserves the right to bid either by himself or through his agent or auctioneer and should any dispute arise among the bidders for any lot, during or immediately after sale of the lot, it shall be settled at the auctioneers absolute discretion who may, should one of the disputes advance, put the lot or lots up again. The bidding from time to time shall be regulated by the auctioneer and no bid shall be retracted.
2. The sale will be conducted on a "Sale" or "No Sale" basis whereby the lot for sale shall be knocked down to the highest bidder, but the sale will be subject to the acceptance of the highest bid by the vendor who will immediately after the fall of the hammer declare "Sale" or "No Sale". Should the vendor reject the bid of the highest bidder such bidder will have the right of first refusal of the lot at the vendor's nominated price for one hour after the lot has been passed out of the ring on the Terms and Conditions herein set forth in so far as they shall apply.
3. The details of the purchaser, the purchase price and the lot sold as recorded by the sale clerk for and on behalf of the auctioneer shall be equally binding on both purchaser and vendor.
4. The auctioneer expressly reserves the right, without giving any reason therefor, to:-
  - (a) Refuse to acknowledge any bid;
  - (b) Withdraw any lot or lots before or during the sale;
  - (c) Exclude any person from the auction venue should it think fit.
5. Each lot in all cases shall be at risk and expense of the purchaser, upon acceptance of his bid by the vendor or upon acceptance of the highest bidder's offer by the vendor whichever shall be the earlier.
6. Except as expressly provided in these Terms and Conditions of Sale no guarantee or warranty shall be given in respect of any lot sold under these Conditions as to pedigree, sex, age, breeding condition or otherwise howsoever, and no guarantee, warranty or condition whatsoever shall be implied from any affirmation made before or at the time of the sale, or from any circumstances of the sale, but in all cases where a guarantee is intended the same shall attach and be enforceable only if reduced to writing before delivery of the lot and signed by the vendor or by the auctioneer acting as agent for the vendor, and the absence of such writing shall be conclusive evidence in case of dispute that no guarantee, warranty or condition whatsoever was given or implied.
7. In the event of any dispute in respect to the sale of any lot:-
  - (i) The purchaser shall nevertheless be obligated to pay to the auctioneer the full purchase price and any other moneys or interest payable by the purchaser in accordance with these Terms and Conditions.
  - (ii) The vendor and the purchaser shall resolve the dispute between themselves;
  - (iii) The auctioneer shall have no liberty or responsibility in regard to the dispute; and
  - (iv) No lot shall be returned to the auctioneer and the purchaser shall indemnify the auctioneer for all costs, expenses and damages which the auctioneer is put to or incurs by reason of the purchaser so doing.
8. The name of the vendor for whom the auctioneer acts is acknowledged to have been furnished to purchasers prior to sale and further particulars will in all cases be furnished to a purchaser if required. In the case of any dispute the remedy of the purchaser shall be against the vendor only and in no case or under any circumstances against the auctioneer who is to be regarded for all intents and purposes as agent for a disclosed principal.
9. (a) PAYMENT - Unless prior credit arrangements have been made in writing with the auctioneer the full purchase price for each lot shall be due and payable to the auctioneer in cash upon acceptance of the highest bid or the highest bidder's offer by the vendor and prior to delivery. Notwithstanding that delivery is given to or possession obtained by the purchaser.  
or his representative prior to the payment of the purchase money in full the property in any lot which is sold shall not pass to the purchaser until the full purchase price and all cheques, promissory notes, bills of exchange, acceptance orders or drafts given in connection with such payment have been paid and liquidated, and until property shall pass, the purchaser shall hold such lot as bailee, provided that in all cases should such payment not have been made and liquidated within 14 days of the date of sale the auctioneer reserves the right to:-
  - (i) Rescind the contract on behalf of the vendor and repossess and resell any lot;
  - (ii) Recover from the purchaser interest upon the purchase price at a rate per annum which

# STUD STOCK - AUCTION TERMS & CONDITIONS OF SALE

aggregates the 90 day Bill Rate plus two percentum. For the purposes of this condition "the 90 day Bill Rate" is the rate published regularly in the Australian Financial Review, expressed as a percentage per annum. If at any time the Financial Review ceases to publish a 90 day Bill Rate, the auctioneer shall determine and advise the purchaser of the interest rate to apply for the purpose of this condition.

- (b) The auctioneer is selling as the del credere agent of the vendor and the full purchase price of any lot sold shall be payable by the purchaser to the auctioneer and be fully recoverable by the auctioneer in its own name.
- 10. If the purchaser shall neglect or fail to comply with any of the within conditions, any lot purchased by him may be immediately resold by public auction or private contract, with or without notice, at the risk of the former purchaser, who will be held responsible for all loss and expenses arising out of such resale, and shall not participate in any profit accruing therefrom.
- 11. Any vendor or purchaser removing the sale number from any lot after it has been sold will fully indemnify all affected parties for any loss, costs or damage should the lot be wrongly delivered.
- 12. The purchasers, if more than one, shall be jointly and severally bound by these Terms and Conditions, and shall jointly and severally carry out and perform same.
- 13. Any person who advances a bid on a lot shall do so on the expressed condition and understanding that should that person's bid be the highest bid and such bid is accepted by the vendor, then that person will be held personally liable for the price so agreed upon, regardless of the fact that that person may be acting on behalf of another party, wither disclosed or undisclosed to the vendor or the auctioneer, provided however, that this Condition shall not in any way negate the vendor's right to claim against any principal and in such case the bidder's liability shall be construed to be by way of guarantee.
- 14. The auctioneer may, should it think fit, make arrangements on a purchaser's behalf for the feeding, watering, trucking, shipping of and general attendance to any lot after sale but no responsibility will be accepted by the auctioneer and all such service will be at the purchaser's risk and expense.
- 15. No lot will be delivered until the sales invoice has been checked and signed by the purchaser or his duly authorised representative.
- 16. (a) Each lot in all cases shall be sold with all faults, if any, and excepting those conditions and warranties implied by the Trade Practices Act or any applicable State Legislation which cannot be contractually excluded and excepting conditions and warranties expressly contained in these Terms and Conditions of Sale, and express or implied condition, statement or warranty, statutory or otherwise, is hereby excluded. The auctioneer is not liable in respect of any error, misdescription or omission in any particulars appearing or stated regarding the descriptions or pedigrees of any lot offered for sale and no such error, misdescription or omission shall entitle the purchaser to annul the sale or reject the lot or claim any compensation, damage or abatement in price.  
(b) Each lot will be sold subject to passing all veterinary tests required by law of the State or country to which the purchaser intends to transport that particular lot, such tests to be undertaken at the purchaser's expense and concluded immediately following the sale. In the event of a lot failing to pass these tests, the sale shall be null and void, any purchase moneys paid by the purchaser shall be refunded and property in the lot shall revert to or remain with the vendor.
- 17. **GUARANTEES OF FERTILITY:-**
  - 17.1 **BULLS.** Save and except for calves at foot, all bulls are guaranteed breeders and to so prove within six months of the date of sale or by reaching the age of 30 months whichever date shall be the later.
  - 17.2 **FEMALES.** Save and except for female calves at foot, all females are guaranteed to be in calf or go into calf within six months of the date of sale or by the age of 30 months whichever date shall be the later. A positive pregnancy test certified by a qualified veterinary surgeon shall be sufficient evidence that the animal is in calf.
  - 17.3 Claims under Clauses 17.1 and 17.2 guarantees of fertility shall be made to the vendor within six months from the date of sale or prior to the animal entering a quarantine area other than on the vendor's property.
    - 17.3.1 All claims must be accompanied by a veterinary certificate which shall clearly identify the basis of the claim.
    - 17.3.2 Infertility resulting from injury or disease occurring after the sale of the animal shall not be covered by this guarantee.
    - 17.3.3 The vendor retains the right to have the animal placed on a property nominated by him or returned to

# STUD STOCK - AUCTION TERMS & CONDITIONS OF SALE

his own property for further assessment of fertility for a period not exceeding six months. In the event of the animal being proven fertile within the period, the costs incurred shall be borne by the purchaser. In the event of the animal not being proven fertile within the period the costs incurred shall be borne by the vendor.

- 17.4 LIABILITY OF A VENDOR. Except for costs defined elsewhere in the conditions of sale, the liability of a vendor in respect of claims relating to fertility shall not exceed the purchase price of the animal(s) or to provide mutually agreed upon replacement animals.
- 17.5 REFUNDS. In the event of a claim being substantiated and the purchase price being refunded, the animal/s shall automatically become the property of the vendor and returned to him or disposed of according to his instructions at his expense.
- 17.6 This guarantee shall be voided by the purchaser if -
  - (a) The animal is returned to the vendor -
    - (i) in poor physical condition or with any injury;
    - (ii) tests carried out on behalf of the vendor within fourteen days of such return proved positive to any diseases which may affect the animals fertility or ability to breed naturally; or
  - (b) the purchaser has collected and stored semen from a bull or embryos from a female.
- 17.7 In the event of a dispute as to whether a lot is a breeder, such dispute shall be resolved by the vendor and the purchaser and the auctioneer, while he will use his best endeavours to assist, shall have no liability or responsibility in that regard. In the event that a lot is alleged or proved not to be a breeder, the purchaser shall nevertheless be obliged to pay the auctioneer the full purchase price and any other monies or interest payable by the purchaser in accordance with these Terms and Conditions.
18.
  - (a) Each lot shall be at the risk of the vendor in respect of any damage or injury, whether by disease, accident or otherwise, for the period that the lot be in the custody of the auctioneer, PROVIDED THAT the auctioneer, its servants, agents and employees shall use all reasonable care to protect and control the lot while it is in the auctioneer's custody AND PROVIDED THAT when a lot has been sold, it shall be at the risk of the purchaser in all respects.
  - (b) If any vendor brings to the sale premises any lot which is dangerous, or infected with any disease, that the vendor shall be liable for all injury, damages, costs, losses, or expenses which the auctioneer may sustain, incur or be put to either directly or indirectly as a result of the vendor so doing. The auctioneer reserves the right, at its absolute discretion, to exclude from the sale, or put out of the sale venue or dispose of, any lot which in its opinion shows signs of any disease, whether infectious, contagious or not, or any serious fault or of being dangerous.
19. DELIVERY - Except at the discretion of the auctioneer no lot shall be delivered to the purchaser unless payment of the purchase money together with any additional charges incurred including those expenses incurred by the auctioneer pursuant to Condition 14 hereof, is first made by the purchaser to the auctioneer. Release of lots may be withheld by the auctioneer until personal cheques are cleared.
20. In these conditions:-
  - (a) References to "Auctioneer" shall be taken to mean the context so admits, the selling agent or any member, subsidiary or related corporation or body, officer, agent or employee thereof, authorised by the vendor to conduct the sale of the lot;
  - (b) "Purchaser" shall have the meaning ascribed to it in Condition 1;
  - (c) "Vendor" shall mean the person or corporation upon whose account lots are offered for sale and where a stud or farm is named shall mean the proprietor of that stud or farm;
  - (d) "Lot" shall be taken to mean the animal offered for sale and/or sold by the auctioneer on behalf of the vendor.

## IMPORTANT NOTICE

The selling agent, its members, subsidiary or related corporations, officers, agents, and employees for themselves and for whom they act while exercising due care provide all information without responsibility and give no guarantee whatsoever as to its accuracy. All persons who attend the sale do so entirely at their risk and the selling agent, its members, subsidiary or related corporations, officers, agents, employees and its principals, for liability of whatever nature for any injury or damage whatsoever which may occur. The hammer price is exclusive of GST but GST will be applied to the final hammer price and included on the invoice.

*Every care has been taken in compiling the catalogue & supplementary sheet for the Heartland Santa Gertrudis Breeders Group Sale to ensure accuracy of information. No responsibility however is accepted by The Group or individual members for any errors which may have occurred.*
